Terms and Conditions of Rental Agreement

Equipment

The Customer is responsible for the safe return of all Equipment. Rental costs will accrue until equipment is returned, and the Customer will pay for any lost or damaged equipment. The Equipment is and shall remain the property of Skycall Communications. The Customer agrees to keep the Equipment in the supplied case whenever not in use. The Customer will not attempt to open the Equipment electronics enclosure housing, alter, repair, alteration, without the prior approval of Skycall Communications.

The Customer will not use or operate the Equipment in any illegal manner or for any illegal purpose. It is the Customer's responsibility to immediately notify Skycall Communications if any of the Equipment is lost, damaged or stolen. It is also the Customer's responsibility to keep Skycall Communications advised of the changes to the equipment general location. Skycall Communications reserves the right to inspect the Equipment at any time during the term of this agreement.

Charges

The total airtime charges are determined by the number of minutes during which the Equipment is in use for outgoing and incoming calls. On outgoing calls, charges commence when the send button is pressed. Unanswered incoming calls are not charged. The total number of airtime minutes used will be represented on the Skycall invoice for telephone service from the time the Customer takes physical possession of the phone, to the time the Equipment is returned to the company. Usage is rounded to the next minute with a one-minute minimum. If payment is made by credit card, the Customer authorizes Skycall Communications to charge payments due under this agreement to Customer's credit card account with or without notice to the Customer.

Telephone Service

Skycall Communications has contracted with Globalstar and Iridium for the satellite telephone service to be used in conjunction with the Satellite Telephone. Skycall Communications makes no warranty of any kind, express or implied as to the merchantability or fitness for any particular purpose of the equipment or the satellite telephone service, neither shall Skycall Communications be liable for any direct, special, consequential or other damages in connection with or arising out of the furnishing, performance or use of the satellite telephone by the customer.

Skycall Communications warrants that each item of Equipment will be suitable for normal operation and use at the time of delivery. The Customer acknowledges that Skycall Communications does not guarantee uninterrupted service and shall not be liable for the inability of the Customer to complete telephone calls due to circumstances beyond the reasonable control of Skycall Communications.

Termination of Agreement

The Customer acknowledges that he or she acquires no rights hereunder other than the use of the Equipment. In the event that the Customer violates the terms and conditions of this Agreement, or that the Customer has furnished Skycall Communications with false information, Skycall Communications may immediately terminate this Agreement with the Customer, whereupon the Equipment will be promptly returned to Skycall Communications and all charges in connection therewith shall be immediately due and payable. Skycall Communications may terminate this Agreement and disconnect the telephone service at any time with or without cause.

I have read the Skycall Terms and Conditions of the Rental Agreement and agree to abide by the terms and conditions stated therein. I agree to pay for airtime and (or) service/rental charges and sales tax for equipment rented and as agreed to in the executed Skycall Rental Agreement. I also agree to pay any shipping charges and repair charges on damaged equipment. I understand if I do not return the equipment in good condition at the end of this Agreement or I fail to extend my rental period I authorize my credit card to be charged the Equipment value, additional rental fees and airtime. I hereby authorize Skycall Communications to charge my credit card for payment for equipment and (or) services detailed in this Agreement.
